To Whom It May Concern

Reference: **Summit Restoration**

Dear Sir or Madam,

I would like this opportunity to express my satisfaction with the work and customer service that Summit Restoration provides. I have found the entire staff to be courteous, organized and well trained. I have always known them to be professional, timely, and knowledgeable.

I would not hesitate to recommend Summit Restoration for any water restoration or mold remediation project.

Should you have any questions regarding this testimony or would like further information, please feel free to contact me at the below referenced number.

Very Truly Yours,

PESAVENTO CONSTRUCTION
